

The pillow that adjusts to suit you *Perfectly*.

This *Perfect* pillow has a unique zipper closure which allows you to adjust the amount of inner filling.

Every *Perfect* pillow contains extra, specially developed, high density filling which is why they feel very firm when they are first purchased.

Perfect height

Perfect support

By removing some of the filling the pillow can be adjusted to exactly the right balance of height and firmness or softness to suit individual preferences.

A *Perfect* pillow,
- a perfect sleep.
